About Me

Full-stack marketer who connects brand, growth, and revenue. I've built marketing across FMCG, retail, hospitality, and global environments, spanning the full customer journey from insight and positioning to acquisition, conversion, and retention.

I move between strategy and execution, building brands, customer experiences, performance and lead-generation engines that turn marketing into measurable commercial outcomes.

Currently owning end-to-end marketing and growth for a hospitality brand across brand, digital, UX, performance, content, PR, partnerships, and direct revenue.

Professional Experience:

1000 Island | Marketing Manager (Brand & Growth) | 2026–Present

- Owned end-to-end marketing and growth for Woods at Sasan, launching its website and direct-booking ecosystem with UX and onsite teams to build a scalable direct revenue channel.
- Built the full-funnel acquisition engine, driving ₹8L+ monthly revenue at 30x ROAS and accelerating the shift to direct bookings.
- Led growth, brand and PR strategy, translating business challenges into targeted initiatives and securing features across key travel and lifestyle publications.
- Shaped and executed the integrated growth, brand, and PR strategy, translating business and onsite challenges into targeted marketing initiatives and securing visibility across key travel and lifestyle publications.
